Stories of the Bible in 2023

In 2023, each Life Group, from babies to adults of all ages, will study the same biblical story each week in Life Group. As the church body studies these stories together, our prayer is that we will grow together in biblical truth and in knowledge of God's Word.

A Resource for Life Group

This tool is your opportunity to meditate on your Life Group topics in advance. Take time during the week to read through the biblical text, meditate on that portion of God's Word, and even memorize a verse for each week. We believe this will lead you to a deeper understanding of God's Word, as well as more meaningful discussion in your Life Group each week.

How to Use This Booklet

The date provided in the first column is the date of Sunday's study. For example, beginning January 8, your Life Group leader will teach from Genesis 1-2 on the topic of "Creation/God Made the World." Anytime January 1-7, you will have the opportunity to read this text in advance and prepare your heart for Sunday's lesson as it's taught in Life Group.

Groups at Bellevue

If you do not yet have a Life Group, we encourage you to find one online that fits your stage of life. Visit bellevue.org/groups.

Resources for Families

Bellevue's Fight for Your Family resources will provide discussion questions for each week of study. These are available at bellevue.org/family.

Thank you for journeying through the Bible with us in 2023!
