Course Title: ACT Prep

Description:

ACT Prep with Mrs. Henry will be a one semester course (Fall or Spring) of intense focus on the material needed to succeed on the ACT. Mrs. Henry has been successfully preparing students for this important test for 20 year and has frequently seen composite scores improve by six points or more.

In this class, we will take practice tests under simulated conditions, learn a wealth of proven test-taking strategies, and dive into the content review vital to strong math and English scores.

Students should plan on two-to-three hours of work per week outside of class time. This semester-long focus on the test with 24 hours of class time is sure to help any student improve his/her score and meet goals.

"Thanks to Mrs. Henry's clear and easy-to-understand teaching style, my ACT score went up 6 points so that I was able to get the scholarships I needed for college and enter the honors program; and I even CLEP'd out of 6 hours of college English." --RW
