

Course Title: American Sign Language 1

Description:

This fascinating way of communication will deepen your student's cultural and linguistic knowledge of the deaf community. This introductory class covers basic signs in various situations, cultural knowledge, and fluency with conversations. This class will use notes, visuals, hands-on learning through signs, and projects to better understand ASL and the deaf community.

This course will fulfill 1 credit of the high school language requirement.

Recommended Grades: 9 – 12

Tuesdays 12:20 – 1:50 PM; 32 weeks

Minimum 6 students required to start

Textbook: Tutor will provide materials
