

Course Title: U.S. History (*1.0 high school credit*)

Description:

Students will conduct a narrative study of American history from the time before there were boundaries and state lines to America's involvement in space exploration. During our class time we will discuss the events, wars, inventions, and more that have ushered America into being one of the most powerful countries in the world. The text presents the stories of hundreds of influential people that have made a difference in American history. Upon successful completion of the course, students will have an accurate picture of the triumphs and successes within American History.
