

Course Title: Art 5 / 6

Description:

*Your imagination is everything. It is the preview of life's coming attractions. – Albert Einstein*

Students in Art 5 / 6 will explore various methods to express creativity and imagination through basic art skills and projects. Class time will be used to explore age-appropriate hands-on activities that broaden art knowledge. Students will study various artists and techniques and discover that each artist has a unique and distinctive style like themselves! Art 5 / 6 will introduce students to many different mediums and various techniques so they have the skills needed to express their creativity. This course covers a wide variety of projects in basic arts skills. We also study and recreate famous works of art.
