

Week of February 26: Jesus at the Temple
Luke 2:41–50

ASK interactive questions.

1. What is the first thing you would do if you got separated from us?
2. Why do you think Jesus spent so much time in the temple?
3. Why is it important to keep learning new things about God?

BRING your understanding.

Share one thing you learned about Jesus being in the temple as a boy from your adult Life Group lesson.

CREATE fun experiences.

Activity: Hide-and-seek

Supplies: None

Pick one family member to be the seeker and instruct everyone else to find somewhere in the house to hide. Have the seeker count to 30 while everyone else hides. The person who is found first will be the seeker in the next round.

Tell your family that Mary and Joseph lost Jesus in Jerusalem and they searched all over the city for Him. They eventually found Him in the temple, where He was learning about God. Encourage your family to always seek new ways to learn about God, so they can share their wisdom with others.
