Activity: Neighbor Map

Supplies: Paper, crayons, and pencils

Find your neighborhood on Google Maps (www.maps.google.com), and zoom in on your house and the houses surrounding it. Instruct your family members to draw and color a map of your home and your neighbors' homes. Next, have everyone write down the names of those who live in each house. Discuss how your family can share the Gospel with each neighbor. If you don't know one of your neighbors, discuss how your family can connect with that neighbor.
