

Week of June 11: King Saul
1 Samuel 9:15–17, 10:20–27

ASK interactive questions.

1. Why did the people request a king? Did God consider their request to be good or bad? Why?
2. How would you respond if God called you to become the leader of our country?
3. How do we know that God is doing things around us even though we can't see Him?

BRING your understanding.

Share one thing you learned about King Saul from your adult Life Group lesson.

CREATE fun experiences.

Activity: Design Your Own Crown

Supplies: Paper and markers

Give everyone in your family a piece of paper and markers. Instruct them to design, draw, and color their very own crown. After everyone is finished, give each person the opportunity to explain why they created their crown the way they did. Remind your family that God made Saul king so he would lead the people to follow God's ways.
