

Week of June 4: Building of the Tabernacle
Exodus 26

ASK interactive questions.

1. Is it hard to follow instructions? Why or why not?
2. What was the purpose of the tabernacle? Why do you think God gave specific instructions for how to build the tabernacle?
3. Where do we go to worship God? How is it different from the tabernacle?

BRING your understanding.

Share one thing you learned about the tabernacle from your adult Life Group lesson.

CREATE fun experiences.

Activity: Tent Builders

Supplies: Various items from around your house

Tell your family that everyone will work together to build a big tent inside. Inform them that they will build the tent using any items found in your house. Next, tell your children that they get to direct the parents concerning how to build the tent, and the parents must follow all of their instructions.

After the tent is built, have everyone sit inside the tent. Tell your family that God's people followed every instruction God gave concerning the building of the tabernacle, so they were able to build a place where they could worship God.
