PRAYER GUIDE**

# MISSIONS IN 2023

Over the last year, many of our ministry partners have had to evolve and adapt to the ever-changing world in light of recent events. Join us in praying they would continue to minister where they are and can resume normal ministry activities soon.

## PRAYER

Imagine having the power to touch lives half a world away right from your own living room. Imagine navigating through dozens of nations in 15 minutes.

Imagine touching hearts with a single heartfelt expression of compassion spoken directly to the heart of God. That's the power of prayer. This Missions prayer guide can help you harness this power by guiding you through a daily habit of praying for missionaries and ministries around the globe. Prepare to touch the world through the power of prayer in Jesus' name.

PE agrees with Paul's prayer in Colossians 1:9–12. Wade and Barbara are Bellevue members.

In addition to training pastors and leaders, Light Ministries has established six schools and feeding stations that minister to 1,750 homeless children daily. Lorne and Mallory work with their community to show the Navajo people hope in Jesus for their lives today, tomorrow, and into eternity. Pray that the Navajo people will find the true Jesus of the Bible and make a real commitment to Him. Also pray that God will sustain the Denetclaws economically, spiritually, emotionally, and physically, and that He will protect their children as ministry takes a toll on their lives.

Jonathan, Derek and Dana's son, oversees the music ministry at LWC as the acting worship leader. Pray for Jonathan to seek and follow God's will for his life, that he would grow stronger in the Lord, as a leader, and as a worship leader in the church. His goal is to grow the church's outreach ministry in the Hudson Valley community by sharing the Gospel through song. The vision is to raise musicians and other creatives in the church, preparing them for service, leadership, missions, and beyond. ## E FAMILY

In partnership with the International Mission Board, the E family works among an unreached people group in Central Asia. They are relocating and will begin studying a new language. Pray they will be humble learners and quickly grasp this language to share the Good News, make disciples, and thrive in their new place of service. Pray God opens doors to relationships with locals and pray for the E kids as they transition and face new challenges. Ultimately, pray for the E family to walk faithfully with Jesus every day and bear much fruit for the Father's glory.

Statistics show that only 4% of the population is reached—the Seattle area's international demographics, social challenges, and post-Christian ideals are challenging to overcome. However, God empowers Jonah and Kathy for the task to which He has called them through their ever-dependent relationship with Jesus. Pray for the Easleys and their unique challenges with three special-needs children. Pray also for their long-term gathering space—they are currently in their third meeting location within four years. They are praying that God will open the door for a permanent home.

DAY 16

DAY 17

### MINNICK, RUSSELL AND TORI

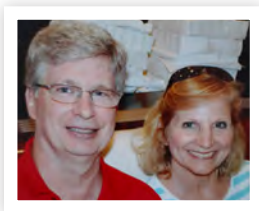

The Minnicks are joining a team of church planters west of Dublin, Ireland. The recent housing crisis in the city has sent commuters to the surrounding suburbs outside of Dublin, where there are nearly no Bible-believing churches. Ireland is the least-evangelized English-speaking country in the world. Pray as the Minnicks await a visa (which is notoriously difficult to acquire).
