

## ABOUT

There are tens of thousands of college students in Memphis, and we want to reach those students for Christ. We are praying that Memphis' college population will experience the Church as it was created to be—a reflection of the person and purpose of Jesus Christ.

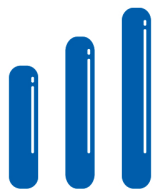

## THE NEED

- Engage students during the often difficult transition from high school to college.
- Reach students with the Gospel across several college campuses.
- Disciple new believers, and train up student leaders as they grow in their walks with Christ.

## THE OPPORTUNITY

- Develop relationships with high school seniors, and help them connect to College Ministry through weekly interaction and various other events, including high school summer camp.
- Help plan and execute ongoing ministry events, such as weekly worship services, small groups, and campus ministry.
- Lead a Discipleship Group, and be an active encouragement in the lives of college students.
- Welcome guests with the love of Jesus, and help them connect with others and find belonging in our ministry.
- Help produce weekly programming for The Vue, our Monday night service that includes fellowship, worship, and preaching. This will require creativity and confidence both on and off the stage.
