

**Week of October 8: Scouting Out the Land/Joshua and Caleb  
Numbers 13:1–14:45**

**ASK interactive questions.**

1. How would you have reacted if you had been chosen to spy out the land of Canaan?
2. The spies were intimidated by the strength of the people in Canaan. Have you ever been intimidated when you wanted to do the right thing? What happened?
3. Why do you think the Israelites wanted to return to slavery when they were so close to receiving God's promise of a new home?

**BRING your understanding.**

Share one thing you learned about how the Israelites responded to God's direction to go into Canaan from your adult Life Group lesson.

**CREATE fun experiences.**

Activity: Memory Challenge

Supplies: Note cards, paper, and a pen

Before the activity, gather several note cards, write one word of Numbers 13:30 on each card, and jumble up the cards. Pull out your Bibles, and have everyone read Numbers 13:30 together several times. Next, tell your family that you will give each member an equal number of note cards, and they have to work together to put the verse together. After they put the verse together, remind your family that Caleb trusted God to honor His promise, and Caleb acted courageously to show his faith.
