City Engagement Team* | Eight Weeks | Summer 2025

MID TERM OR LONG TERM

Legacy Thrift Center (Serve Out Pathway)

Bellevue's thrift center supports missions efforts and distributes Bibles around the world. When you serve with Legacy Thrift, you help provide scholarships for mid-term missions opportunities and Bibles to those who don't have one.

Christian Mobile Dental Clinic (Serve Out Pathway)

The Christian Mobile Dental Clinic serves patients in underserved areas of our community. You can volunteer as a driver, a dentist, a dental assistant, or an evangelist. Through this ministry we meet a physical need in the hopes of ultimately meeting our neighbors' greatest spiritual need.

Prison Ministry (Serve Out Pathway)

Bellevue visits several local prisons each week, and we need volunteers to complete our ministry teams. Both men and women are needed to help share the Gospel with and disciple inmates.

Dexter K-8 School (Serve Out Pathway)

Dexter K-8 School is located only one mile away from Bellevue. Over the past few years our church has built a great relationship with Dexter students and faculty. Help us invest in our neighbors by being a reading coach or assisting with after-school Bible Club.

Rock Creek Apartments (Serve Out Pathway)

Rock Creek Apartments are only a mile away from Bellevue's campus and are home to a diverse community. Many of the residents are far from God but open to conversations about the Gospel. There is currently a ministry team living in Rock Creek Apartments with the purpose of making disciples. Through this Pathway, Bellevue Missions works alongside the onsite ministry team to reach Rock Creek residents with the Gospel.

One by One Ministries (Serve Out Pathway)

One by One provides trained church-based mentors to serve and walk alongside vulnerable, at-risk, new, and expecting families who visit faith-based pregnancy care centers. Through this Pathway you have the opportunity to be a mentor and come alongside moms in need.

Binghampton Christian Academy (Serve Out Pathway)

Binghampton Christian Academy is a Christian boarding school and day school dedicated to developing both spiritual and academic excellence in their students. Through this Pathway you can connect with and pray for students as they walk through a formative school year.

World Relief and Refugee Memphis (Serve Out Pathway)

You have the opportunity to serve families who have undergone unimaginable circumstances—people who have left their homes and everything familiar to them due to threatening conditions and sought refuge in our country. Through this Pathway you can come alongside refugee families and support them as they adjust to their new lives in Memphis.

WRAP Ministry (Serve Out Pathway)

Bellevue's WRAP Ministry provides support for foster parents and families through Words of affirmation, Respite care, Acts of service, and Prayer. Through this Pathway you can care for a foster family in one of these areas with a team of others who are dedicated to serving families.

Sista2Sista (Serve Out Pathway)

Sista2Sista is a ministry in the Binghampton community that provides housing, meals, rest, and healthy relationships for women struggling to break free from prostitution and addiction. Serve alongside this ministry in a practical way by providing meals for women at Sista2Sista's drop-in center.

MISSIONS EQUIP

Send Out Training

Sundays, February 2–April 6, 2025 | 2:30–4:30 p.m.

Are you considering or pursuing a call to missions? Bellevue Missions seeks to fulfill our church's vision by equipping members to engage in the missionary task. We have developed a 10-week training program to prepare individuals for mid-term or long-term ministry. Send Out Training includes eight weeks of lectures and two weeks of practical application. You will receive hands-on ministry training, immerse yourself in cultural experiences, and hear from missionaries as they speak on a variety of topics. The deadline to apply for next semester's class is January 15, 2025!

“My wife and I were so excited about what God was calling us to do with our lives, but there were also a lot of unknowns. We wanted to be as prepared as possible before starting our life as church planters, and Send Out Training helped us do that.”
