SUMMER
2024

City Engagement Team* | Eight Weeks

Use your summer to reach our city with the Gospel! During the summer, students all across Memphis are out of school, which creates opportunities for us to intentionally care for them and their families. Be part of a team, and work alongside our partners to engage our most vulnerable neighbors.

MID TERM OR LONG TERM

Legacy Thrift Center (Formerly Bibles for China)

Bellevue's thrift center supports missions efforts and distributes Bibles around the world. By serving with Legacy Thrift, you can help provide Bibles to those without one and provide scholarships for mid-term missions opportunities.

Christian Mobile Dental Clinic

The Christian Mobile Dental Clinic serves patients in underserved areas of our community. You can volunteer as a driver, a dentist, a dental assistant, or an evangelist. As you help us meet a physical need, we hope to ultimately meet our neighbors' greatest spiritual need.

Prison Ministry

Our church visits several local prisons each week, and we need volunteers to complete our ministry teams. We invite both men and women to come with us as we evangelize, disciple, and love those in prison in our community.

Serve Out Pathways | bellevue.org/pathways

God calls each of us to do more to love our city. Bellevue's Serve Out Pathways exist to create regular opportunities for members to engage our city with the Gospel. We believe that by loving Cordova, serving local churches, and caring for the vulnerable through compassion ministries, we begin to fulfill God's command.

*Available upon completion of Send Out Training. For more information, go to bellevue.org/missions.

Send Out Training

Sundays, January 21–March 24 | 2:30 p.m.

Are you considering or pursuing a call to missions? Bellevue Missions helps fulfill our church's vision by equipping you to engage in the missionary task. We have developed a 10-week program to prepare you for mid-term or long-term ministry. Send Out Training includes six weeks of lectures and four weeks of practical application. You will receive hands-on ministry training, immerse yourself in cultural experiences, and hear from missionaries as they speak on a variety of topics. The deadline to apply for next semester's class is November 30.

"My wife and I were so excited about what God was calling us to do with our lives, but there were also a lot of unknowns. We wanted to be as prepared as possible before starting our life as church planters, and Send Out Training helped us do that." —Chad Moore

MISSIONS STRATEGY

Bellevue Missions has adopted the term “missionary task” to help our members view their lives through the lens of the Great Commission. No matter where you are or what you do, you can live as a missionary for the kingdom of God. The missionary task is the IMB’s six-step process by which people groups are engaged and churches are planted. The six components are entry, evangelism, discipleship, healthy church formation, leadership development, and exit to partnership.
