

Week of November 19: God Helps Elijah
1 Kings 18:18–39

ASK interactive questions.

1. Why do you think the people of Israel worshiped Baal instead of God?
2. What are some differences between how the prophets of Baal called on their god and how Elijah called out to God? Why are those differences important?
3. How can our family show that we completely trust God?

BRING your understanding.

Share one thing you learned about Elijah from your adult Life Group lesson.

CREATE fun experiences.

Activity: Would You Rather

Supplies: Questions

Before beginning this activity, conduct an online search for “would you rather” questions that are suitable for kids. After you’ve identified some good questions, gather your family around your kitchen table, and ask the questions you found. Ensure that everyone has a chance to answer each question. After the activity, tell your family that they had to decide what they would rather do for each question. Remind them that Elijah also gave the people of Israel a choice. They had to choose whom they would rather serve—God or Baal. Thankfully, the people chose God!
