Activity: Prophecy Puzzle

Supplies: Paper, markers, a Bible, and scissors

Give everyone a sheet of paper and some markers. Open your Bible to Isaiah 9:6, and instruct everyone to write out the verse on their paper. Then tell your family to use the markers to decorate their papers. After the papers have been decorated, direct everyone to cut their paper into puzzle pieces. Next, have each person give their puzzle pieces to another family member, and have everyone assemble the puzzles. Once all the puzzles have been put together, have your family say the verse together.
