

CHILDREN

SUMMER

ABOUT

Children's Ministry seeks to care for children and their parents. Through a broad range of programming, children will find acceptance, engage in hands-on and age-suitable learning, and grow their faith—all while having fun! From lessons to games, everything children participate in at our church is focused on teaching biblical truth.

THE NEED

- Our team is passionate about welcoming every parent and child with the love of Jesus while displaying the character of God to all.
- Our primary focus is to meet the spiritual needs of hundreds of developing children as we partner with parents to encourage their kids to apply the Bible to everyday life.

THE OPPORTUNITY

- Provide daily support to all aspects of Children's and Special Needs Ministries.
- Own and lead data entry, hands-on setup for programming, worship leading, speaking, biblical drama, ministry planning, and following up with families to help children get plugged in.
