

Course Title: Biology

Description:

This course is designed to be the student's first high school science course and is a college-preparatory biology course that provides a detailed introduction to the methods and concepts of general biology. Heavily emphasizing the vocabulary of biology, the class will introduce the student to a strong background in the scientific method, the five-kingdom classification scheme, microscopy, biochemistry, cellular biology, molecular and Mendelian genetics, dissection, and ecosystems. Additionally, we will complete a survey of the five kingdoms in Creation. Microscope and dissection labs are incorporated into class time throughout the year.

Prerequisites: Grades 9-12

Tuesdays 10:10 – 11:40 AM or 12:20 – 1:50 PM; 32 weeks or

Thursdays 8:30 – 10:10 AM; 32 weeks

Minimum 6 students required to start

Textbook: Provided on loan

Apologia Exploring Creation with Biology, Apologia (2nd ed.)

Teacher:

Jetta Seboly, Contact Bellevue Tutorial, 901-347-5518, tutorial@bellevue.org

Cost:

\$550
