

Geometry MUS

Tuesday 12:20-1:50

Tuesday 2:00-3:30

Thursday 12:20-1:50

Tutor: Leigh Ann Quick leighannquick@bellevuetutorial.org

Calculator: either the TI 84+ or Casio fx-115ES PLUS ONLY

**** Please limit calculator choices to one of these two options. ****

TI84+CE is usually on sale for \$100 during Back to School Sales at Target

Casio FX-115ES PLUS is usually between \$15 and \$20 (Amazon or Target)

Pencils (If you prefer to use a pen, then it must be erasable, such as the FriXion pens)

Flair pens or fine line markers for grading in class & for marking diagrams

(**Bold** colors that are easy to see)

Protractor with a ruler on the base with both English & metric measurements

Compass (for drawing circles; can be an inexpensive plastic one)

150 index cards with lines & some type of container for them.

(A pack of 100 will NOT be enough)

1" binder with paper to take notes and keep up with assigned worksheets

36 letter size envelopes for sealing tests **at home** to be turned in on the day of class.

Access to the internet and a working computer and printer
