

Supply List 2026/27

Computer Science

Tuesday 12:20-1:50

Thursday 12:20-1:50

charliemoore@bellevuetutorial.org

Laptop OR computer at home with Office software. Microsoft 365 paid subscription is preferred and will be used for instruction. Microsoft 365 free version has limited capabilities. Libre office is also a free alternative. Google suite is not recommended. Students are encouraged to bring their personal laptop to class to work on assignments; computers are provided if needed.
