

# Biblical Counseling (COVID-19) protocol

3.16.2020

1. We are suspending **ALL** “in office-face to face” appointments indefinitely.
2. We will do everything we can do to keep your scheduled appointment time slot.
3. Bellevue Counselors will initiate calls to scheduled Counselees at or near the scheduled appointment times.
4. Scheduled appointments will begin on the hour and will be conducted for a 50-minute duration of time.
5. Scheduled appointments, cancellations, as well as rescheduling, will be handled through the office coordinators as has been the office procedure.
6. Appointments **must** conclude at 10 minutes to the hour (50 minutes total) to ensure the counselors will have time for a brief break and to be free to begin the next appointment on the hour.
7. We believe that this will allow the best to protection for **all** - from exposure to this contagious virus, while at the same time offering ministry that is needed.
8. Please check back to this site for updates and changes.

Thank you for your understanding as we walk by faith and wisdom through this together!

Serving Him and you,
