

Bellevue Tutorial

Course Title: Human Anatomy & Physiology

Description:

This 32-week advanced biology course provides the student the opportunity to gain knowledge and a deeper understanding of the human body's structure and systems. Areas of study include: cell structure, skeletal structures, nervous system, endocrine glands, muscular system, heart and circulatory system, immune system, respiratory system, urinary system, digestive system, and the reproductive system. Taught with technical expertise and from a Christian worldview, this class will help prepare students interested in biomedical, nursing, and other health-related careers. In-class dissections will be used for hands-on anatomical study.

Prerequisites: Grades 10+ and successful completion of Biology

Tuesdays 10:10-11:40 AM – Starting August 7; 32 weeks

Minimum 6 students required to start

Textbook: Provided on loan

Apologia Exploring Creation with Advanced Biology, Apologia (2nd ed.)

Other required materials: (not final)

Advanced Biology Solutions and Test Manual

Lab Notebook (Teacher will provide specifications)

Offering: Fall 2018

Location:

Bellevue Baptist Church

2000 Appling Road, Cordova, TN 38016

Teacher:

TBD; Contact Bellevue Tutorial, 901-347-5518, tutorial@bellevue.org

Cost:

\$400 tuition (32 weeks)

\$50 supply fee

No registration fee
