

# Bellevue Tutorial

**Course Title: Life Science**

**Description:**

This course is designed for 7th and 8th grade students seeking a junior high school science course. The course is meant to be a survey at the Junior High academic level of a variety of Life Science topics including: classification systems, cell structure, heredity, botony, zoology, ecology, and the human body. Students will study the relationship of life science to everyday life and Biblical principles. Appropriate laboratory exercises and study of the scientific method are included.

Prerequisites: Grade 7+

Thursdays 12:20-1:50 PM – Starting August 9; 32 weeks
