

WEEK THIRTY-FOUR, DISCIPLE MAKING

Chapter 14, "What to Wear to the Battle," *RSG*

We are concluding our study of spiritual warfare. Let me encourage you to finish strong! If there is anything the enemy desires, it is for us to ignore him. Logan does a great job in this succinct chapter. Encourage those in your D group to read the chapter carefully before you meet and be prepared to share their observations.

The following questions are given to aid you as you lead the discussion this week and apply the truths from Chapter 14. It is not imperative for you to use these questions or to cover all of them.

- **Logan has some interesting insights explaining the four groupings of demonic spirits in the section "Our Demonic Enemies" (Page 226). We need to know who we are fighting.**
- **In the section "The Evil Day" (Page 228), Logan describes a period of tremendous satanic attack. If you have experienced a time like this, please share what this type of attack was like. Encourage others to share their experiences.**
- **Under the section "The Christian's Armor" (Page 229), Logan describes each piece of the armor that Paul exhorts us to put on. Go through them one by one, illustrating how they apply to every day life.**

Our verses next week are Ephesians 6:19-20.
