

The Torres Life Group has short times of worship and teaching with strong fellowship and it's all in Spanish! They also have a "Foundations of the Christian Faith" 10-week Sunday class for those new to or eager to learn more about Christianity. Their men and women (30s, 40s, 50s primarily) have strong accountability in and out of class and they also are great at having special social events throughout the year. Bilinguals and non-Spanish speakers are always welcome. Wilhelm & Ingrid have been married for 21 years and they have one daughter (19). Come and be a part of a Life Group that seeks to Love God, Love People, Share Jesus, & Make Disciples.
